THINGS TO KNOW!

- While you are doing this quiz, super interesting things will pop up about your personality traits based on your answers! Check those out! They are pretty fun and spot on!
- Yes, the test does have some repetitive questions. You will sometimes think “didn’t you ask me that already!?!?”
- Yes, there is an option to skip some questions if you truly aren’t sure how to answer. But remember! The more questions you are able to answer, the better career and personality matches you will get!
- Ms. Peters and any other adult will be available to help explain questions if you need assistance.
